The Southeast Quarter (SE ¼) of the Northeast Quarter (NE ¼) of Section 14,
Township 107, North Range 24 West, Waseca County, Minnesota (01.014.0300)

The Grantors have made application and received approval from the Waseca County Planning and Zoning Office to transfer the Residential Development Rights as such rights are defined in Waseca County Unified Development Code, subject to the obligation of the Grantors to encumber the Land according to the terms of this easement. The Development Rights being transferred are the interest in and the right to use and subdivide Land for any residential purposes (including agricultural homestead use) and activities which are not incident to agricultural use and open space use, on the terms and conditions and for the purposes hereinafter set forth; and

WHEREAS, Waseca County has determined that the easement restricting residential uses by Waseca County of farmland and open space land will benefit the public through the preservation of property devoted to agricultural and open space uses.

NOW, THEREFORE, in and for the consideration of allowing the development right to be transferred to Buyer as specified, the Grantors do by these presents forever encumber the lands described above with this easement to confirm that all Residential Development Rights now existing with respect to the Land have been transferred and the Land is hereby perpetually subject to the restrictions limiting permitted activities to agricultural and open space uses. PURPOSE/ACTION REQUESTED

Approval of the Waseca County Amendment to Exclusive Agricultural Use Zone Restrictive Covenant for Altair Community Solar Garden LLC.

SUMMARY

Staff has one amendment that have been requested from Exclusive Agricultural Use Zone Restrictive Covenant Agreements (hereinafter the "Ag Covenant") that has been submitted for review by the County Board. The request is:

Owner	PID	Acres Removed (from Ag Covenant)	Acres Remaining (in Ag Covenant)
Altair Community Solar Garden LLC	07.004.0550	14.14	
Timothy J Nelson	07.004.0510		140.84

RECOMMENDATION

Waseca County staff recommends that the Waseca County Board of Commissioners review the Ag Covenant Amendments in substantially the form as appended to this memorandum and advise if there are any concerns regarding this requested amendment.

Agriculture Covenant Amendments are not permitted for solar facilities. The Altair project was one of the County's early solar farm projects. The development was issued a conditional use permit for a solar farm and permitted despite the existence of an Agriculture Covenant. Waseca County contacted the State of Minnesota Department of Agriculture regarding the error and the County was authorized and advised by the State to remove the covenant from the tract using the amendment process.

EXPLANATION OF FISCAL/FTE IMPACTS

Properties enrolled in the program receive a reduction in the real estate taxes paid equal to \$1.50 per acre per year. The amount of the reduction is reimbursed by the State of Minnesota.

Resolution #

We developed an approximate cost estimate for paving the Blowers Park Road, as we discussed today.

It assumes a road 1,100' long and 18' wide road with turnaround area. Because of the soft, wet conditions, it is based on placing 6" of 1 ½" dust free rock as a foundation, 6" of gravel base and 4" of bituminous.

1 ½" dust free rock	\$10,000
Class 5 gravel	9,000
4" Bituminous	33,000
Total	52,000

We recommend placing the rock and gravel in year 1.

**COOPERATIVE AGREEMENT
CITY OF JANESVILLE
And
WASECA COUNTY**

Whereas, Waseca County's highway shop at 105 East South Street in Janesville needs a salt shed to store mixed sand and salt for winter road maintenance under a roof; and

Whereas, the City of Janesville needs a relatively small amount of sand / salt mixture for winter road maintenance and buying salt in economically large amounts is not practical for the City; and

Whereas, the City of Janesville has available two recent year small hoop style salt sheds; now therefore,

The City of Janesville agrees it would provide the two salt sheds to the County at no cost; and

The County of Waseca agrees it would contract for and pay all the costs of relocating the salt sheds to its Janesville maintenance shop site and the future maintenance and eventual replacement of the salt sheds; and

The County of Waseca further agrees it would provide a small amount of salt, typically 1 or 2 truckloads per year or as needed depending on winter conditions, to the City of Janesville at no cost

Waseca County Township Officers

Dear Township Officer:

We have received several requests the County replace and maintain township road signs.

Township road signs are under the jurisdiction of each township, just as their roads and bridges are. The signs are an important safety feature of the roads.

In the late 1980's, there was a Federal sign program providing funds to inventory and install new township signs. The Federal program required the Counties act as fiscal agent for the townships and contract for this work. Waseca County acted as fiscal agent so the Federal sign program would be available to the Townships, similar to how the County acts as agent to the townships for bridge safety inspection and bridge construction.

The County has about 400 miles of County Highway and one sign person and truck to maintain and replace signs on these roads. We simply do not have the staff to maintain and replace township road signs as well.

In 2018 the County offered to work on township roads under an agreement where the township would reimburse the County for labor, equipment and material. Only four townships were interested, not sufficient to justify increasing County sign staff or equipment to accomplish this work.

In summary—the inventory, maintenance and replacement of signs on Town Roads is a township responsibility. We do assist with the sale of signs to townships and technical advice as requested.

On another note — it has been an honor and pleasure to serve as the Waseca County Interim Engineer during the recruitment and appointment of a new County Engineer.

Sincerely,

Alan Forsberg, P.E.
